"The pinching of a few of the speeders seems to be having a good effect on the others," remarked a Chickasha this morning. "I noticed last night," continued the speaker in referring to the motorcyclist, "those riding the pop-pop two wheelers did not exceed a speed of approximately forty miles per hour along Eighth street where heretofore they have been in the habit of traversing that thoroughfare at a speed of from fifty to sixty miles."

## FACT

### Local Evidence.

Evidence that can be verified  
Fact is what we want.  
Opinion is not enough.  
Opinions differ.  
Here's a Chickasha fact.  
You can test it.

Mrs. A. Haight, 426 S. Eleventh St. Chickasha, says: "Several of the family have used Doan's Kidney Pills for disordered kidneys and have had great relief. I have used them myself with satisfactory results."

Doan's Made a Cure.  
MORE THAN THREE YEARS LATER, Mrs. Haight said: "Doan's Kidney Pills made a cure for both myself and another in the family. The cures have been permanent."

Price five at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Haight has twice publicly recommended. Foster-McMullen Co., Props., Buffalo, N. Y.

LOST—A ladies black corduroy hand bag between Frisco depot and 122 Chickasha Ave. Reward if returned to 122 Chickasha Ave. Mrs. Z. T. Norton. 5-31-34

### Student Wisdom.

The following is an essay written by a pupil in a high school: "The best way to keep baby in good condition is to keep it clean. Every time you give it a bath powder it off. Any time you take it out in the go-cart keep it in the shade. Do not let it eat heavy food until it is at least one year old, and do not let it get a hold of any kind of green apples, pears, peaches, etc. Keep it away from gas stoves and lamps."

Not Alone in His Ideas.  
"I consider my own health and comfort," remarked the intensely self-concerned person. "Public opinion means nothing to me." "Well," replied Uncle Eben, perceiving, "dar is sumpin' jes' about like dat de matter wif my mule."

## INTERNATIONAL LEAGUE IS "COMING BACK"

Three Major League Veterans Now With Minor Organizations.

(By ED G. BARROW, President of the International Baseball League.)

The International league is "coming back" this season. Its prospects have not been so bright for a long, long time.

The war is over, confidence is restored and the baseball conditions are normal again. Of course, the war caused us some suffering but it won't be long before our organization will be back on the same high plane as before the advent of the "outlaws."

The 1916 make-up of the league will be the same as in the old days—a compact circle made up of the best cities in the East. And so we all are more than hopeful that brighter days have come.

The return to Newark and Baltimore is gratifying. I am confident that before the season is over the fans in both cities will be completely satisfied with the brand of baseball they will get.

James Price and Fred Tenney, the new owners of the Newark club, have made themselves popular by announcing that they will have no major league connections. Another popular move was the decision to play the games in Newark instead of in Harrison. Jack Dunn always gave Baltimore baseball of major league caliber, and with no opposition there this season he is bound to win the fans back to the support of his Orioles.

Richmond no doubt will make a much better showing in the way of attendance this season. "Billy" Smith is a shrewd and capable manager, and his hustling qualities will make him popular with the fans. I

### HANK GOWDY IS ONE OF "13"

Boston Backstop Got His Start in Major League With Giants—Lasted Less Than a Year.

Hank Gowdy, the Boston backstop, got his major league start with the New York Giants on September 13, 1916, when he covered first base in a game in which the Pirates opposed the McGraw clan. Gowdy's record in the field was ten putouts, one assist and one error. At the bat he didn't get a hit in three times up, the de-

livery of "Babe" Adams being too baffling for the future star of the Beaneaters.

Gowdy was bought by the Giants from the Dallas club of the Texas league, and had previously played with Lancaster, in the Ohio State league. Hank stuck with the Giants less than a year, and in July, 1911, McGraw swapped him to the Braves for Charley Herzog. His work at the initial bat didn't make much of an impression on Stallings, and he shipped him off to Buffalo, where he was put behind the bat, and soon became the star backstop of the International circuit. Hank was recalled to the Boston club at the close of the International season.

look for the Virginians to have a very successful season all around.

The change to local ownership has stirred things up in Providence, and the fans no doubt will rally to the support of "Billy" Draper, the new owner of the club, who is very popular throughout Rhode Island.

President Chapin of Rochester made a ten-strike when he secured little Tommy Leach to manage the Hustlers. Tommy has always shown that he possesses managerial ability by the way he has gone about building up a team for his new boss. The "midget" undoubtedly will be just as big a favorite in the International league as he was in the big show.

Pat Donovan and his champions should have a banner season in Buffalo, now that they have the field all to themselves there.

The large number of Canadians that have gone to the war front has made baseball conditions in Toronto and Montreal a little uncertain. However, the people of Canada are great lovers of outdoor sports, and they no doubt will patronize the ball games liberally. Baseball is about the only form of outdoor amusement left in Canada that has not been seriously affected by the European war. Joe Birmingham at Toronto and Dan Howley at Montreal, are both clever and experienced managers, and are backed by real sportsmen, who have shown their liberality and gameness on many occasions in the past.

All things considered, the outlook for the international league is very encouraging.

## BASEBALL STORIES

The White Sox will not wear dark blue road uniforms this year.

Rav Chapman declares the Indians have one of the best infields in the game.

Leo Grim of Brooklyn, N. Y., is to be president of the new Lancaster club of the Atlantic league.

Otto Jorden, member of Campan's Bing 1902 team, has retired from baseball and is selling automobiles.

Pitcher Harry Harper of the Senators, has shown wonderful improvement since rounding into form.

It is Manager Fohl's intention to carry only two utility infielders and but one extra outfielder this season.

Mike O'Neill, the hustling manager of the Syracuse team of the New York State league, now has seven pitchers on his staff.

Billy Hamilton seems to have the Worcester fans with him. He says he plans to cut out the groucho stuff, once his specialty.

Johnny Lavan, who played shortstop for the Browns for several years, is apt to beat out Ernie Johnson, who went to the Browns from the Feds.

"Honus" Wagner during his entire career has never been a holdout. When a guy becomes so proficient that he writes his own contracts it's not necessary to hold out.

Roger Bresnahan thinks he cannot operate a team successfully with only 16 players and he has started a move to have the American association team limit increased to 17.

Most ball players in the big leagues are superstitious. Jack Fournier feels he is losing a base hit when he passes a cripple without giving him something. The big Frenchman loves his "base hits, which is a good thing for the cripples.

## AFTER SIX YEARS OF SUFFERING

Woman Made Well by Lydia E. Pinkham's Vegetable Compound.

Columbus, Ohio.—"I had almost given up. I had been sick for six years with female troubles and nervousness. I had a pain in my right side and could not eat anything without hurting my stomach. I could not drink cold water at all nor eat any kind of raw fruit, nor fresh meat nor chicken. From 178 pounds I went to 118 and would get so weak at times that I fell over. I began to take Lydia E. Pinkham's Vegetable Compound, and ten days later I could eat and it did not hurt my stomach. I have taken the medicine ever since and I feel like a new woman. I now weigh 127 pounds so you can see what it has done for me already. My husband says he knows your medicine has saved my life."

Mrs. J. S. Barlow, 1824 South 4th St., Columbus, Ohio.

Lydia E. Pinkham's Vegetable Compound contains just the virtues of roots and herbs needed to restore health and strength to the weakened organs of the body. That is why Mrs. Barlow, a chronic invalid, recovered so completely. It pays for women suffering from any female ailments to insist upon having Lydia E. Pinkham's Vegetable Compound.

### RHEUMATIC PAIN STOPPED

The drawing of muscles, the soreness, stiffness and agonizing pain of Rheumatism quickly yield to Sloan's Liniment. It stimulates circulation to the painful part. Just apply as directed to the sore spots. In a short time the pain gives way to a tingling sensation of comfort and warmth. Here's proof—"I have had wonderful relief since I used your Liniment on my knee. To think one application gave me relief. Sorry I haven't space to tell you the history. Thanking you for what your remedy has done for me."—James S. Ferguson, Philada., Pa. Sloan's Liniment kills pain. 25c at Druggists.—Adv. d&w
